Creative adjectives by 3/4S!

Come and have a look in the office at the wonderful artwork that 3/4S made! Every student found adjectives or adjectival phrases that they felt described our school and created a collage for our office. You’ll be amazed at how many ways of describing our school that they managed to find! Ms Orlovich was surprised and thrilled to be presented with the artworks in 3/4S room.

Our Student Representative Council (SRC) are presented with their badges

Congratulations to students in each class who have been voted as the SRC member for semester one. The students received their badges at assembly last Monday and are already busy planning their first event and fundraiser, Clean Up Australia Day and Fruit Ice block day. This SRC run event will be held on Friday 11 March and students may bring $1.00 to purchase a fruit ice block. If students wish to bring some disposable gloves and a plastic bag, they are welcome to! Miss Bonovas and Ms Swindles have some great plans already for our SRC this year. We look forward to hearing more from our SRC as the year unfolds!

Solander are presented with their trophy for the swimming carnival.

Congratulations to Solander for their wonderful efforts at the swimming carnival. The whole school congratulated them at the assembly last Monday. Here is Miss Spencer awarding the trophy to the house captains!

A proud squad represents the school at the Zone swimming

Well done to our six fabulous zone swimming representatives who were outstanding in their behaviour, sportsmanship and effort in the pool at Botany last Tuesday! A big thank you to the families who attended the carnival and assisted with transportation and encouragement!

Congratulations to Keilani who will be progressing to the Regional Carnival later in the term. Good luck!
